DEDICATION

We, the senior class of 1958 of Waterloo Grant Township School, dedicate this, THE ROSEBUD, to our parents, who with the deepest appreciation for educational opportunities, have made possible our high school career. We are ever mindful of their patience, guidance, and loyalty as well as their willing support and co-operation. We will always remember the many sacrifices they have endured to make possible our school days.

THEME

Life has often been compared to a road we all must travel with varying degrees of success. The early poets, knowing only the simplest means of trasportation, spoke of life as a path to be trod on foot. Had they lived in today's world, these ancient bards would have know that modern youths travel all roads in cars--shining, new models; beloved, battered jalopies; and precious custom jobs. Along these lines we have developed our yearbook. Our school life is compared to a journey--a journey made not on foot, but in a car as befits our generation. As you leaf through these pages, you will note that the road was sometimes rough and sometimes smooth.

We entered grade school in a child's homemade box model of a car. During high school years we traveled life's road in a jalopey; we often had to work hard to keep our vehicle running in order to reach our ultimate goal, graduation. As seniors, we leave well prepared to meet the major portion of life's highway. Our education and training are represented by the sleek, new model which will help make our journey a smooth one.

THE LOOK AHEAD

"The foundation of every state is the education of its youth."--Diogenes

An educated people has been one of the corner-stones of American culture. However valuable education has been in past history, surely the future will call for more well trained people than ever before. Public schools have met many challenges in the past. There is no doubt that recent developements have focused public attention upon the character of the training being offered to American youth. The challenge now is-can the American public education properly train and develop individuals to meet the exacting demands of successful living in the future?

Our country has faced critical times in a confident spirit. Our confidence has been founded upon enlightenment and understanding of the force about us. Again we are asked to take inventory of ourselves to correct our weaknesses and build upon our strong points. Education has not let America down in the past. It will not let us down in the future.

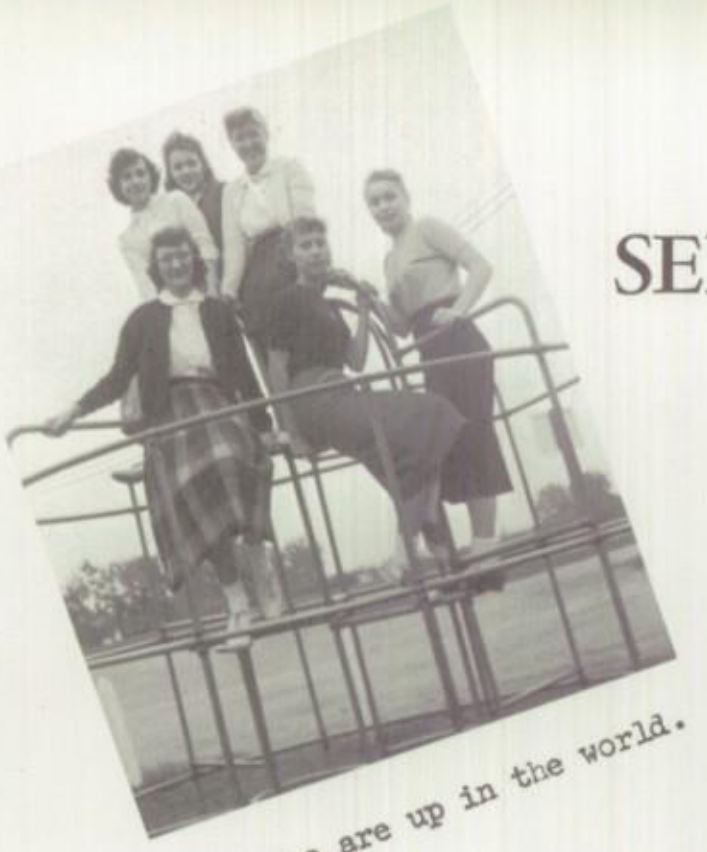
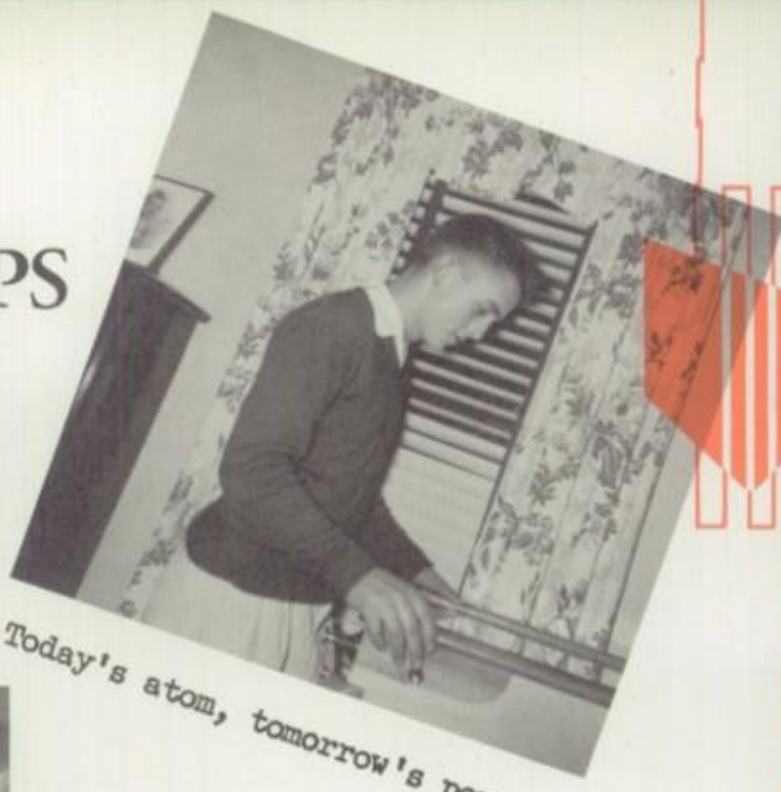
SENIOR SNAPS



We sure are up in the world.



Today's atom, tomorrow's power.

Fortunately, I know something about it.

LOST ?!?

School Skippers!

It ain't that they are afraid of work.

Just can't figure it out.

Seniors on the run.

What's the attraction?

CLASS HISTORY

Twelve years ago we seniors of '58' walked into various schools throughout the countryside. Of the thirty-five who started at Waterloo only sixteen are still with us. The rest of our class joined us at various times during the past twelve years.

With the help of our teachers we advanced through grade and junior high school. As freshmen we had fifty eager members in our class. With the help of Mr. Claude Leslie, our class sponsor, we managed to make a little money to put toward our senior trip. Our sophomore year went along smoothly with Mr. Richard Bourquin guiding us through card sales and bake sales. That year the halls were filled with the black and white sweaters of the class of '58'. The junior year rolled quickly with the junior store, under the managment of Barbara Drerup and Julia Pontius, and with cookie sales. We also received our class rings that year. Our junior year was successfully guided by Mr. L. C. Ford. Our senior year Mr. Robert Dove helped us through the magazine sales and paper drives.

Though our days at Waterloo High School may be behind us, we shall never forget the good times we have had nor the wonderful teachers who have helped us every step of the way.

4-H is an international organization for rural youths. The name incorporates the four H's of Health, Hands, Heart, and Head that control a happy and useful life. Each club is directed by an adutl sponsor under the guidance of the county agricultural and gome demonstration agents. Every township in DeKalb county has at least one 4-H club to which the rural young people may belong. Members' ages range from ten to twenty years. Members learn useful skills by carrying baking, clothing, food preservation, food preparation, room improvement, handicraft, garden, junior leader, crops, or animal projects. The best of these are entered annually in the DeKalb County Fair contests.

In addition to these projects members participate in the following county activities: demonstrations, judging contests, dress revues, and project tours.

4-H is ont all work, however. Members have fun at parties, in camp, and on trips. Trips are awarded on a point system based upon participation in club projects. In DeKalb County, free trips to camp, sightseeing tours of Chicago, Roundup at Purdue, the Junior Leader Conference, and Indiana State Fair are awarded. All of these provide enjoyment and an entertaining time to those who earn them.

4-H members pictured above represent not any one club here at school, but rather the various 4-H township clubs to which our students belong.

"To grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in the knowledge and love of God"--these are the goals of the more than 400,000 Y-Teen members of throughout the United States. As teen-age affiliates of the Y.W.C.A., the Y-Teen members of our school partisipate in this international organization that is at work today in nearly seventy countries around the world. As far back as 1881 the Y.W.C.A. began its work with teen-agers. In 1918 all work with younger girls in the Y.W.C.A. was unified under the Girl Reserves program; in 1946 the Girl Reserves became Y-Teens. For over twenty years now this orgainzation has played an important part in the extra-curricular work of Waterloo High School.

This years business meetings have been interspersed by parties and programs. A Halloween party was held at the home of Lorna Miser, and in December the annual Christmas party and gift exchange between "secret pals" took place at the home of Mr. Love, club sponsor. No Y-Teen party could be complete without the generous help of the six elected "Y-Teen Mothers." These are Mrs. Clayton Pontius and Mrs. Ernest Wallace representing the seniors, Mrs. Guy Christlieb and Mrs. Charles Smith for the juniors, and Mrs. Raymond Dunn and Mrs. Clark Platt for the sophomores.

This year the Y-Teens initiated a series of sock hops following basketball games. These were eagerly atteded by the student body. Other organizations helped out by taking turns in sponsoring such dances.

A week-end trip to Chicago rounded out the Y-Teens social program. Their, sightseeing and week-end of just being together were enjoyed by those who made the trip.

The serious side of the Y-Teen program got off to a big start when the girls served as hostesses to the Distric Y-Teen Fall Conference. The main speaker was Miss Sarale Owens of the Y.W.C.A. National Board.

In November a Thanksgiving Assembly program was given for the entire school. Regular programs for the Y-Teen meetings include hair styling by Mrs. Amelia Myers, nursing as a career by a group of nurses from St. Joseph's Hospital, and safety by a member of the Indiana State Police. In January a group of members conducted the annual Y-Teen door-to-door collection of funds for the March of Dimes.

"To hold fast to the principles of honesty; to endeavor constantly to maintain a creditable record; to cultivate the principles of service and leadership; to promote a sense of individual responsibility to the school, community, state, and nation; and to consecreate our comradeship to mutual helpfulness and to the betterment of our fellow students" is the pledge to which each Beta subscribes. The National Beta Club is an honorary non-secret leadership service organization. To attain membership in the Waterloo chapter, a student must maintain a ninety percent average in all academic work. From a nucleus of twenty charter members with eight lost by graduation last year, the club has grown to thirty members, the outstanding students in each of the three upper classes of the high school.

The club meets at least once each month during the activity period, and regular evening social meetings are enjoyed throughout the school year.

In its less than two years here at Waterloo High School, the Beta Club has been instrumental in the purchase of new stage curtains. Funds for this purpose were raised through a semi-formal dance, the Beta Royal Ball, which is to become an annual project.

Other Beta projects include the compilation of the School's Honor Roll. To attain a place on the honor roll a student must have no academic grade lower than a B. Students who receive no grades lower than A's receive special recognition. Thus do Beta members strive not only to maintain their own scholarship but to raise that of other students as well.

The F.F.A. experienced another active year. We farmed about 25 acres of ground on which wheat and corn were grown. We spent three days last summer in Chicago and visited museums, the Grain Pit, and a White Sox ball game. Wayne Myers, Steve Graham, and Mr. Berg spent a full week in August in northern Canada camping and fishing. Another activity of great interest was the Father and Son Banquet, which was held March 12. Other activities were the Chapter Pest Contest, Garden Seed Sales, and the County Judging Contests.

Two candidates made application for the State Farmer Degree. They were Wayne Myers and Herbert Rynearson. Special awards of the year were Star Greenhand--Larry Gurtner, and Star Chapter Farmer--Richard Korff. Two fathers who have given us a lot of help and who have shown much interest in our organization were awarded the Honorary Chapter Farmer Degree. They were Donald Myers and John Graham. We are also proud to have one of our members serve as a district officer. Donald Gurtner is treasurer of District III.

All in all, we have had a busy, profitable year in local, district, and state activities.

MARCHING BAND

DRUM MAJORETTE

Judy Till

MARCHING BAND

The forty piece marching band began its season last summer under the direction of Mr. Seeger by appearing at the Peoney Festival, Van Wert, Ohio, and at the Mermaid Festival, North Webster, Indiana. Beginning the school year, this group prepared for the marching contest but could not appearances at the Auburn Fair, the band prepared and performed marching shows for four basketball games. The Fremont band also performed at one of these games. For their appearance at the last ballgame, this band joined the entire band department for the final show--83 bandsmen in all.

CONCERT BAND

Although the concert band's main rehearsals do not start until after basketball season, this band performed once in Auburn and twice in Waterloo during the Christmas season. Last year for the first time in six years the concert band entered the difficult playing contest and walked off with a second division. After the contest this year, the band plays for its annual spring concert featuring selections from the musical "My Fair Lady". The season ends by playing for the eighth grade graduation and the senior commencement exercises.

MAJORETTES

PIANIST

Esther Reinhart and Becky Sebert

The Chorus started their musical year by providing two numbers for the Thanksgiving program. A few weeks later they gave an outdoor concert on the Auburn courthouse lawn featuring many Christmas selections. After singing some current show tunes for the spring concert, the group ended the year with two religious numbers at the Baccalaureate services.

Butler 7 at Waterloo 6

Waterloo grabbed an early lead, including a two-run homer by Eastridge in the first inning, and led most of the way. Butler rallied in later innings and tied the score. In the final inning the Windmills scored the winning run. Lyle Miller was the starting pitcher.

Waterloo 5 at Angola 3

This was a very close contest with both teams managing to produce two runs in the first four innings. In the fifth with two men on base, Butch Bowers parked the baseball across the highway in a gas station. The Wildcats later held off a last inning rally by the Hornets to one run and won 5-3. Dick Korff pitched all the way for the Wildcats.

Riverdale 6 at Waterloo 0

The Wildcats were shut out in this contest by a determined hard-hitting Riverdale team. The Wildcats failed to get many hits and thus didn't give Riverdale much of a fielding problem. An announcement was posted in the locker room after the game--"Batting Practice, Mon. at 4:15."

Waterloo 8 at Ashley 5

The rivals from Ashley jumped into a three run lead and led by that margin until the sixth inning. At this time the Wildcats took a tip from the Aces and began knocking the ball into the bushes in right field. During the inning several walks coupled with Ashley errors and timely hits by Buss and Gurtner produced eight runs. Ashley threw a scare with two runs in the bottom of the sixth but failed to score in the final inning. Dick Korff went all the way on the mound for the Wildcats.

Fremont 6 at Waterloo 4

Waterloo batted in two runs in the first and blanked the Eagles on fine pitching by Miller until the sixth. In this inning the Eagles captured the lead with four runs. The Wildcats came back and tied the score in the seventh, but Fremont succeeded to win as they scored two runs in extra innings.

Angola 7 at Waterloo 5

The Wildcats again jumped into a fast lead as they scored four runs in the first and hoped for rain. The rain never came, but the Hornets did. They scored two in the third inning and made it miserable for our pitchers in the fifth as they scored the Hornets winning runs.

Waterloo 10 at Butler 1

The Wildcats ended the season in great form as they pounded the Windmills 10-1 on a brand new diamond at Butler. Waterloo scored in every inning as Gushwa pitched the best game of the year, allowing only one run. Bob Buss had a perfect day at bat with four for four. Every one hit as the home-town team scored ten runs on fifteen hits.

BASKETBALL

Angola 39 Waterloo 52

On November 1 the Wildcats traveled to Angola and scored a double victory over the Hornets. Both teams started out slowly, and neither hit very well during the first quarter. In the second period the Wildcats began working the fast break to their advantage and broke into a 23-13 lead at the half. The Hornets threatened somewhat in the third quarter, but the Wildcats took command of the game and went on to score an impressive victory over the Angola Team.

Harlan 61 Waterloo 59

In the second game the Wildcats met a tall, rugged Harlan team and were edged in a thriller. The Hawks were taller and employed a tough zone defense, but the Wildcats held their own on the boards. Throughout the game Harlan maintained a slight lead, leading by three points at the half. At the start of the third stage Harlan jumped into a seven point lead, but heavy scoring by Oster and Bowers helped the Wildcats close in on Harlan. In the last quarter Waterloo tied the score five times but never could take over control of the game.

Riverdale 56 Waterloo 58

The Wildcats opened their home schedule by defeating the Riverdale Comets in a nerve-racking double overtime. The spirited Comets were red hot and held a slim lead throughout the first half with a 32-29 lead at the half way mark. The Wildcats came to life gaining a seven point lead in the third quarter, but the Comets soon swallowed up this lead. At the end of the regulation time the score was tied at 52 all. In the overtime each team scored two baskets with Waterloo tying the score just eight seconds before the buzzer sounded. Death was then the rule,and the Wildcats got the tie off with Oster scoring a one hand push shot, winning the game and leaving the joyous hometown fans trembling.

Butler 60 Waterloo 57

The Wildcats met the Butler Windmills and lost to a keyed-up Butler squad in a very rough and exciting game. The Windmills opened the game, hitting at an incredible percentage around the edge of the Wildcats' zone defense. After being behind at the end of the first quarter, the Wildcats outscored Butler for the rest of the game but could not come through in the final minutes of the Game. Lyle Bowers was high with 23 points.

Avilla 54 Waterloo 64

The Wildcats bounced back from the Butler loss scoring a victory over the Avilla Panthers. The fur really flew the first quarter as the Panthers and the Wildcats met head on. Waterloo held a slight lead during the first half and boasted an eleven point lead at the end of the third quarter. In the final quarter the Wildcats increased their lead, but a late rally by the Panthers cut the final margin to ten points. Lyle Bowers led the offensive attack with 20 points.

Garrett 64 Waterloo 48

The Wildcats next met the tougn Garrett team and suffered their third loss. It was Garrett's first home game, and the Railroaders' strong defense and height advantage was more than the Wildcats could cope with. Garrett applied a tough zone defense which held the Wildcats' shooting down. The scoring in the first half was unusually low with Garrett leading at the half. In the last half Garrett's zone moved back somewhat, and the Wildcats began hitting from out. The Railroaders undoubtedly out played the Wildcats, but one consolation was the fact that Waterloo matched the Garrett scoring throughout the last half.

Hamilton 67 Waterloo 52

The Wildcats, sparing the turkey and pie on Thanksgiving Day, were well rewarded the following night as they roared back on the victory trail with a victory over the Hamilton Marines. The first quarter was close, but the Wildcats soon took command leading at the half time and maintained the lead into the third quarter. The Marines really landed in the final quarter; using an all court press, they succeeded in narrowing the lead to eight points. The Wildcats soon halted the Marine attack and once again pulled away. The game was marred by fouls being continually called. Five of the Wildcats ended the game with four or more fouls; all members of the home team played and scored in the game.

Ligonier 63 Waterloo 59

The Wildcats lost to Ligonier in a close contest of which the Wildcats could never quite gain control. It was anyone's ballgame up to the end of the third quarter. The Wildcats, hitting below par, fell back in the deciding quarter and lost.

Ashley 60 Waterloo 54

The Waterloo Wildcats traveled to Ashley and met the Aces for the first time in their new gymnasium. The close rivalry and the evenly matched teams made an exciting evening for the fans. The game was very close all the way with the lead changing hands many times. The fast breaking Wildcats took a slight edge at the end of the first quarter. Ashley began moving their offense and gained a five point lead at the half time. The Wildcats rallied back in the third quarter and tied it up. The lead really see-sawed in the final period with both teams within reach of victory. In the final nimute the Ashley Aces suddenly broke into a six point lead putting the game in the bag for them. Both teams played well with Bowers and Korff leading the scoring for the Wildcats and Ashley's Phil Clark scoring a tremendous 30 points for the Aces.

BASKETBALL

LaGrange 46 Waterloo 60

The Wildcats evened their season's record with a win over the Lions of LaGrange. The game started out close, but the Wildcats soon moved ahead and maintained a comfortable lead throughout the game. Only occasional spurts by LaGrange threatened the Wildcats. Oster led the Wildcats attack with 20 points.

Pleasant Lake 33 Waterloo 56

The Wildcats turned loose a victory over a cold Pleasant Lake team, employing a strong zone defense and utilizing good fast breaks throughout the game. Waterloo jumped to a lead at the end of the first quarter. The half score was 28-11. The regulars increased the lead still more, opening up a twenty-five point lead at the third quarter stop. Coach Bourquin sent in the reserves, who maintained the lead in the final quarter. The home scoring was led by Bowers and Korff.

Fremont 62 Waterloo 46

The Wildcats failed to gain control of the Victory Bell by losing to the high flying Fremont Eagles. The well regarded Fremont team with their 6'10" center retained possession of the Victory Bell in fine fashion. They led in the first quarter and just continued slowly to increase their lead as they led by 11 points at the half, 14 at the third quarter, and won by 16.

Churubusco 60 Waterloo 56

Waterloo Traveled to Churubusco and lost a close one in an overtime. The 'Busco team was really up for this game and did everything right. They capitalized on the Wildcats' mistakes and were red hot in their shooting. The score was tied at the first quarter and at the half. 'Busco led by two points at the third quarter. In the overtime, the Wildcats' mistakes cost them the game and a successful long shot by the 'Busco team put the topping on their victory.

Wolcottville 49 Waterloo 56

The Wildcats roared back on the victory trail with a victory over Wolcottville. The Wildcats had no trouble putting this game away as they evened their season's record and bounced back from the 'Busco loss. The Wildcats worked their offense well as they jumped into a lead at the first quarter. Waterloo ended the half with a twenty point lead. Coach Bourquin interchanged the entire team in the last half, and the reserves maintained the lead in the final quarter as the starting five nervously watched the proceedings from the bench.

Huntertown 62 Waterloo 49

The Wildcats, meeting one of their toughest opponents, went down in defeat 65-53. The highly-rated Allen County quintet had plenty of height and used a very tight zone. The Wildcats trailed throughout the game but fought back to outscore Huntertown 24-17 in the last half.

Rome City 35 Waterloo 62

The Wildcats closed their away games schedule with an overwhelming victory over Rome City. It took the Wildcats a long time to get their scoring underway, but in the meantime they held the Rome City offense cold. Oster and Bowers led the offensive attack with 18 and 19 points.

Albion 57 Waterloo 62

Waterloo met a strong Albion team and defeated them in an exciting overtime, 67-60. The Wildcats trailed throughout the game but ended with a tremendous comeback, finally moving ahead by two points with a few seconds left. Albion succeeded in sinking a long shot from the corner to tie the game at 58-58 at the sound of the gun. In the overtime the Wildcats were at their best as they held Albion to one basket while scoring 9 points before the happy home-town fans. Bowers played a great game scoring 29 points.

Ashley 56 Waterloo 58

The Wildcats ended the season with their second two point win over the Aces of Ashley. The seniors, carrying the school colors for the last time on their home court, joined up with the balance of the squad to throw a brilliant ball game before the Aces and led throughout the entire game. The Wildcats continually rushed the Aces back when obtaining possession of the ball and also employed a tough zone defense. But the Aces trailing 52-36 with six minutes left ended the game with another courageous flourish, bringing back memories of an earlier contest between these same two clubs. Butch Bowers led the scoring with 16 points, copping second place honors in the county scoring just four points behind Clark of Ashley. With this victory the Wildcats ended the season third in the county and conference standings finishing close behind Ashley in each case.

Bi-County Tournament--Ashley 47- Waterloo 49

The Wildcats met Ashley in the first game in the Bi-County Tournament and defeated them in a thriller. The game was close all the way with the Wildcats maintaining a slight lead. Waterloo used the fast break to their advantage and suddenly broke into a 12 point lead with only a few minutes left. But Ashley, led by Jerry Forrest, made a tremendous rally and chipped the final margin to two points leaving the fans breathless.

Continued from page 63.

Bi-County Tournament--Fremont 64 Waterloo 48

Waterloo was then eliminated from the tournament by the tall Fremont Eagles, who eventually won the championship. The Wildcats tried all the tricks they knew but could not overcome the great height advantage and the sharp shooting of the Eagles.

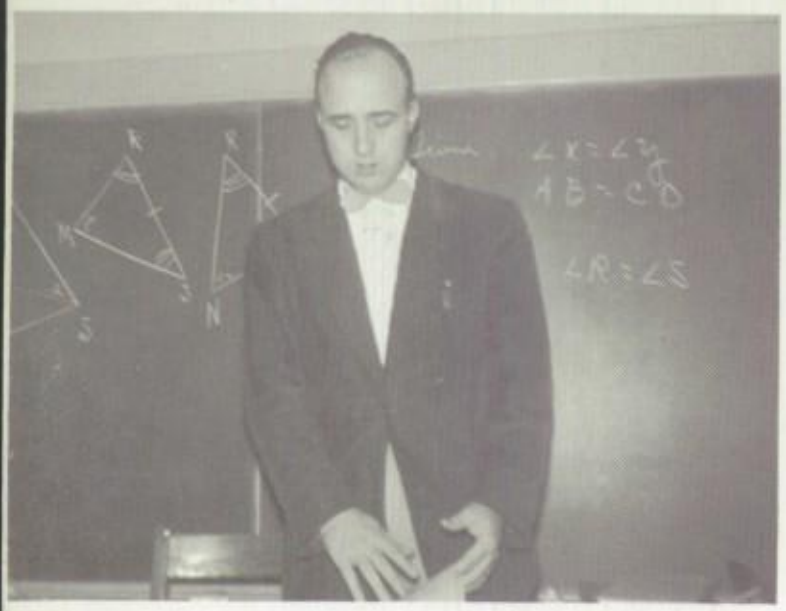
Sectional Tournament--Pleasant Lake 45 Waterloo 72

The Wildcats drew Pleasant Lake in the opening round of the tournament and blasted the Spartans, scoring their highest point total of the season. The scoring was evenly distributed among the Wildcats as they led 47-17 at the half and 64-29 at the third quarter. The Wildcats used fast breaking tactics throughout the game winning 72-45.

Sectional Tournament--Angola 64 Waterloo 60

Angola eliminated the Wildcats from the sectional winning 64-60. The Hornets were a different ball team than the club the Wildcats met at the opening game of the season. Angola opened the game with sensational shooting and led a cold and stunned Wildcat team 36-24 at the half. In the last half the Wildcats bounced back into their old form as they came back and outscored Angola 32-24. But the Hornets were not to be beaten on this night as they held their poise even when the Wildcats climbed back to a 45-39 score at the third quarter stop and came within two points in that dramatic and deciding final quarter. This game gave the Wildcats a 12-10 record for the season.

In other games of the sectional play Ashley upset Auburn 52-45 and then lost to Butler, who later eliminated Angola. Fremont in the meantime earned their way into the championship by defeating Bellefountain and edging Garrett in an important game 44-42. The Eagles then became our representative to the Fort Wayne regional by easily upending Riverdale and then defeating Butler 67-53 in the final game.



CALENDAR

Sept. 3--Back to the old grind.

13--Robert's Studios showed seniors style of pictures and frames.

24-28--Fair Week! The seniors worked their chubby fingers to the bone in the Lion's Club stand. Gee, boys we like your lily-white hands.

25--Magazine salesman came to see seniors.

Oct. 3--Look! Pretty girls! Senior girls pictures taken.

4--Look at all the handsome boys! Senior boys pictures taken.

5--Y-Teens hosted at District Conference.

14--Magazine sales end. Money, money, money! !
